

dear fcc yes xm radio is a good thing ,it seams to me that you should grow up
this is 2004 not 1944 , the price of gas is 220 a gallon not 15 cents they
sell xxx rated movies beer is leagal 4 lane roads AND if i want to have aXM
radio to pay for every month weather and all i will and it not right you think
sorry this is not a commie country yet my money my xm radio .thank
